WATERCOLOR: A FRESH APPROACH (catalog says "Watercolors - Fog Lifting")
8:30 AM Monday August 19 (arrive Sunday August 18) to 1:00 PM Friday August 23 (one week). I recommend Holt Lodge. All rooms are air-conditioned, contain two double beds, a flat-screen TV, a refrigerator, and a private bathroom. Fees are \$631 for a double room and \$880 for a single room. This week will focus on the wonderful transparency and color vibrancy of the watercolor medium as we learn several methods of application, with demonstration and step-by-step approach. Some new techniques are always presented, with the possibility of painting on new surfaces. With good weather, we can paint outdoors - I will always demonstrate. Lots of individual attention and helpful critique in a very supportive atmosphere. *"This workshop was one of the best I've attended!" "Your instruction and help is excellent. Every class I take from you I learn more and more!"*

PASTEL UNLIMITED (catalog says "A Glorious Morning Pastels")
6:00 PM Friday November 1 to 3:00 PM Sunday November 3 (weekend). I recommend Holt Lodge. All rooms are air-conditioned, contain two double beds, a flat-screen TV, a refrigerator, and a private bathroom. Fees are \$303 for a double room and \$403 for a single room. This course stresses the infinite versatility of this increasing popular medium. Each student will learn to achieve vibrant "color with character", aided by proper tonal value, light, and pattern, as he/she learns a specific technique or application with a variety of subject matter. Any subject matter can be brought to life with pastel! Vivian will always demonstrate how to build a strong composition using a variety of strokes and effects. Painting outdoors is a possibility. Count on lots of individual attention and constructive class critique. *"I have learned and produced more in your class than dozens of others I have attended!"*

Please feel free to call me or email me with any questions concerning any of these workshops. I look forward to seeing you!
